

GLOBAL AEROSPACE

Insure With Confidence

The Global Aerospace Difference

Since the 1920s our clients have benefited from the qualities that truly differentiate us:

- Empowered underwriting and claims teams
- Multinational company delivering products as a single team
- Unique blend of aviation and insurance experience
- Direct access to senior leadership

Global Aerospace's underwriting is backed by a pool of high-quality insurance companies that represent some of the largest and most secure insurers and reinsurers in the world.

The pool provides our clients with a degree of financial stability that is not available from a single insurance company.

We specialize in aviation and aerospace, and we are entirely committed to the industry.

STRONG INVESTMENT IN INNOVATION AND TECHNOLOGY

Our independence enables us to be flexible and innovative as the industry rapidly evolves.

- Paperless electronic workflows and e-docs
- Online and electronic trading portals
 - Ability to quote and bind
 - Streamlined access to broker-exclusive programs
 - Credit card payment option—no additional fees
 - eCert Program—24/7/365 online access to certificates of insurance
