General Aviation Airports

We Can Protect You

GLOBAL AEROSPACE

INSURE WITH CONFIDENCE

Global Aerospace understands the challenges of our industry and we offer experience, stability and innovative solutions for your airport insurance program. We not only provide access to affordable and comprehensive insurance, but also provide tools to enhance the safety efforts of the general aviation community.

Our General Aviation Airport program has been specifically designed for general aviation airports that meet one or more of the following profiles:

- Public and private general aviation airports, including:
  - Control towers
  - Sale of gas and oil
  - Unimproved runway surfaces
- Liability limits up to $20 million
- Airports with no scheduled airline service

General Aviation airport policyholders can expect:

- Affordable, comprehensive coverage
- Convenient 3 year policy term with guaranteed rates*
- Annual premium payments for easy budgeting
- Automatic eligibility for our Accident Forgiveness Program - First loss under $5k does not impact premium

*guaranteed rates do not apply if there is a change in exposure, coverage selection or limits.
Part 139 airports and airports with limits above $20 million do not qualify for guaranteed rates.

Brokers can expect:

- 20% commission
- Streamlined administration:
  - Elimiates the need to market the program each year
  - Eliminates the need to issue a new policy and certificates each year
- Electronically issued policies
