

Seaplane Insurance

Global Aerospace has been underwriting insurance for seaplanes since the 1940's primarily in Canada where large numbers of seaplanes are operated. We are expanding on our unique perspective, experience and capabilities to make this insurance available in the United States.

Global Aerospace US Policyholders Can Expect:

- Convenient two-year policy term with guaranteed rates*
- Seasonal aircraft configuration options
- Rapid quote response
- Support from our dedicated underwriting team who share a passion for aviation, many of whom are licensed pilots
- Prompt response from our seasoned claims staff in the event of an accident/incident

*Guaranteed rates only apply to certain limits of liability and do not apply to commercial operators or if there is a change in exposure, coverage selection or limits. Guaranteed rates are not permitted in all states.
