

Aviation Workers' Compensation Insurance

By selecting Global Aerospace for your Aviation Workers' Compensation insurance, you will work with Global Aerospace and Mitsui Sumitomo International Group ("MSIG") to receive a wide range of first-class underwriting options focused on your individual needs. You will have access to underwriters and claims professionals that provide a combination of aviation and insurance experience that is rare in our industry.

In the United States, policies are issued through Mitsui Sumitomo Insurance Company of America and Mitsui Sumitomo Insurance USA, Inc. (both rated A+ by AM Best). MSIG is a leading non-life Japanese insurance company with U.S. subsidiaries and operations dating back to the early 17th century. Coverage is available in all states except in the monopolistic states of North Dakota, Ohio, Washington and Wyoming.
