

Risks Covered

Insure With Confidence: Aerospace Insurance Coverage

Global Aerospace's experienced underwriters and claims professionals have a combination of aerospace and insurance experience that is rare in our industry. Because aerospace insurance is all we do, our underwriters understand the importance of providing both competitive terms and high quality service to address the immediate needs of our customers.

Our rating approach is based on our customers unique operational characteristics and commitment to safety, not merely industry averages.

Our Risks Covered include:

- Aerospace Manufacturer Insurance
- Airline Insurance
- Airport & Ground Handler Insurance
- Financial Institution Insurance
- Fixed Base Operator Insurance
- General Aviation Insurance
- Helicopter Insurance
- Space & Satellite Insurance
- Unmanned Aerial System Insurance
- Workers Compensation Insurance

A True Worldwide Leader

- Insuring Airline Risk in Over 80 Countries Worldwide
- Leading 50% of the World's Major Aerospace Manufacturers and Suppliers
- Insuring 30,000 General Aviation Aircraft Worldwide
- At the Forefront of Insuring the Emerging UAS Industry
- Supporting the Helicopter Industry Since its Maiden Flight - over Half a Century
